

INTERNATIONAL MEETING ON

Anterior segment surgery

21st | 22nd | 23rd JUNE 2013

VENUE: GRAN GUARDIA PALACE - VERONA - ITALY

programme

FRIDAY, JUNE 21st

21st

17.30 REGISTRATION

18.00 **OPENING CEREMONY**
in the GRAN GUARDIA PALACE

WELCOME

R. Bellucci, G. Marchini, S. Morselli

LECTURE & AWARD

Current status of laser surgery
in ophthalmology

K. Hohla

DELIVERY OF ATTENDANCE CERTIFICATES

“INSTRUCTIONAL COURSE ON

FEMTOLASER CATARACT SURGERY”

19.00 END OF CEREMONY

SATURDAY, JUNE 22nd

08.30 REGISTRATION

FIRST SESSION:

*Advanced Laser Corneal Surgery*09.00 **ECTATIC DISORDERS***Chair: L. Spadea**Panel: B. Cochener, G. Santin, C. M. Valazzi*

- **Defining corneal ectasia**
U. Cimberle
- **Iontophoresis and cross-linking**
F. Malecaze
- **Treating the irregular cornea**
F. Hafezi, Z. Gatzoufas
- **Topography-guided PRK and corneal collagen cross-linking after lamellar keratoplasty for keratoconus**
L. Spadea
- **Combined treatments with CXL for ectatic disorders**
G. Kymionis
- **Femtosecond: an essential tool for intracorneal ring segments implantation?**
B. Cochener

PANEL DISCUSSION

10.20 COFFEE BREAK

KERATOPLASTY*Chair: G. Marchini**Panel: C. Chierogo, R. Nujits, S. Rossi*■ **Femtolaser PK: current status and future trends***E. Balestrazzi, L. Mosca, R. Fasciani*■ **Femto DALK***E. Böhm*■ **Advanced techniques for DALK***L. Fontana*■ **Present and future of DSAEK***M. Busin*■ **Femtosecond laser in EK: long-term results and complications***R. Nujits*■ **Refractive correction after keratoplasty***M. Fantozzi*■ **Intraoperative astigmatism control and postoperative results in femtosecond mushroom PK with double running continuous suture***A. Caporossi***PANEL DISCUSSION****CORNEA: SPECIAL CASES***Chair: R. Mencucci**Panel: S. Fruscella, C. Genisi, P. Stodůlka*■ **New applications for femtosecond pockets***I. Pallikaris*■ **Corneal tattoo using femtosecond laser***P. Stodůlka*

- **Custom ablation on donor cornea to optimize endothelial lenticles**

A. Mularoni

- **Femtosecond assisted keratoplasty in pediatrics: challenging cases**

L. Buzzonetti

- **Improvements in femto-surgery: the anvil profile in laser assisted PK; OCT-controlled EK; One-Touch Femto KPro**

L. Menabuoni

- **Keratoconus refractive procedure with Intrastromal Continuous Ring**

M. Alberti

- **Femtosecond laser AK**

M. Nubile

13.10 LUNCH

SECOND SESSION:

Refractive Laser and Corneal Surgery

14.30 *Chair: S. Morselli*

Panel: A. Franchini, G. Grabner

- **Femtolasik in difficult cases**

T. Kohnen, F. Hengerer

- **Femtolasik after corneal transplants**

E. Balestrazzi, L. Mosca, R. Fasciani

- **Femtolasik vs. MK lasik**

F. Carones

- **All-femtolasik**

L. Mastropasqua

- **Femtolasik for presbyopia**
S. Morselli
- **Managing presbyopia with the Kamra inlay**
G. Grabner
- **Corneal inlay for presbyopia correction**
I. Pallikaris
- **Technique and results of DMEK**
J. Güell

PANEL DISCUSSION

FEMTOCATARACT INSTRUCTIONAL VIDEOS

16.00 *Chair: G. U. Auffarth, J. Güell*

- **Cataract surgery with the LenSx femtosecond laser**
J. Güell
- **Cataract surgery with the Victus femtosecond laser**
G. U. Auffarth
- **Cataract surgery with the Catalys femtosecond laser**
B. Dick
- **Cataract surgery with the LensAR femtosecond laser**
L. Mastropasqua
- **Corneal quality outcomes with LenSx femtosecond laser: assisted cataract surgery vs conventional**
J. L. Alió
- **Techniques and pearls with the Victus femtosecond platform**
E. Mertens

08.30 REGISTRATION

THIRD SESSION:***Femtosecond Laser Cataract Surgery:
Techniques, Results, Complications***09.00 **TECHNIQUES and SPECIAL
CASES***Chair: R. Bellucci**Panel: B. Dick, A. Galan, S. Morselli*

- **Complex cases**
B. Dick
- **Femtolasar cataract surgery in infants**
B. Dick
- **Femtolasar special cases out of a 4 year experience**
Z. Nagy
- **Techniques and clinical results after nine months using the LensAR femtolasar**
D. Holland
- **Femtocataract and multifocal IOLs**
M. Piovella
- **Femtolasar refractive cataract surgery in special situations**
K. P. Reddy
- **Surgical pearls for femtosecond cataract surgery**
A. Kiliç
- **Translenticular hydrodissection in femtosecond cataract surgery**
S. Daya
- **High volume femtocataract**
P. Stodůlka

PANEL DISCUSSION

10.40 COFFEE BREAK

11.10 **IS CATARACT SURGERY
F-CHANGING?**

Chair: M. Gualdi

Panel: G. Beltrame, P. Rosen, G. Tassinari

- **Evolution through laser assisted cataract surgery**
L. Buratto
- **Endophthalmitis registry and Eurequo: their relevance for the femtocataract experience**
P. Rosen
- **Pharmacology of femtolaser cataract surgery**
R. Bellucci
- **Impact of femtolaser on young surgeons**
O. Findl
- **First experience with LenSx in clinical settings**
P. Rozsival
- **Laser posterior capsulotomy**
P. Stodůlka
- **Femtolaser cataract in PEX**
E. Ligabue
- **Pearls for surgical organization**
F. Incarbone

PANEL DISCUSSION: INFORMED CONSENT

13.30 DELIVERY OF ATTENDANCE CERTIFICATES
